Dear Parents:

A photographer may be at Totland College on several occasions throughout the school year to photograph some of the children for the local newspaper.

Also, once or twice a year, students from the local high school and/or colleges, come and observe Totland College for several hours in order to complete their early childhood training course.

The state requires that we have your written permission for each of these procedures. Therefore, if you do not have any objection to your child being photographed or observed by students in early childhood training courses, would you please sign below and return this letter to Totland College.
