

Totland College News  
March 2017  
3-day program

Dear Families and Friends,

March is filled with wonderful and fun activities. We will celebrate St. Patrick's Day by trying to catch a leprechaun, and our themes for the month are space, spring, dental hygiene and bike safety.

**St. Patrick's Day Celebration:**

We will celebrate St. Patrick's Day on Friday, March 17th. We ask that each child bring in a small piece of green food so we can try to catch the leprechaun. The classrooms will all go to the big room with their green food and set a trap to catch the leprechaun. This is a Totland tradition and we hope this year we finally catch that guy.

**Important information from Totland's office**

If you have not yet returned your child's registration form for the fall 2017 school year please do so by Friday, March 3rd to ensure your child has a spot for we already have a waiting list for the fall. If your child has recently had a physical with their pediatrician, please make sure we have their updated physical on file.

**Trike A Thon**

The trike a thon will be held on Friday, March 24th. Information and pledge forms will go home as soon as we receive them from St. Jude's children's hospital. This event is a fun experience for the children, which allows each child an opportunity to help raise money for the St. Jude Children's Research Hospital. We ask that each child bring in a trike, bike or scooter on Friday, March 24th for the fundraiser. All children must wear helmets when riding their bikes so please bring in their helmet as well. Label all helmets, tricycles and bikes. After dropping your child off in their classroom you can bring their tricycle around the back near the playground to the big room.

**Extended Time in June**

We will be setting classrooms and planning curriculum for these additional weeks. If you are planning on sending your child please fill out the blue form that already went home and return it by Monday, March 20<sup>th</sup>.

**Important Dates**

Friday, March 3rd	Registration forms need to be turned in
Sunday, March 12 <sup>th</sup>	Hard to believe but we will spring head (Daylight Savings Time)
Friday, March 17th	St. Patrick's Day Party (bring in a piece of green food)
